

North Sound Behavioral Health – Administrative Services Organization (North Sound BH-ASO)
Technical Call

Meeting Date: 2026-07-10

Minutes

1. Supplemental Data
 - a. Staff Detail Table
 - b. Crisis Logs
 - i. A new crisis log was sent today. It is used for the stabilization services/facilities. It should be sent every business day and will include the clients and their Medicaid MCO or Other/NonMCO status. Our goal is
 - c. 980.00 Notification and NotifRvw replies to the NonMCAuth.
 - i. Sending in the 980.00 with the Notification type will result in 2 replies. One will be of the Notif type and the next will be the NotifRvw. When the 981.00 is used to request the Extension or Continuing Stay there you will get the initial reply that the record is in our system. The additional information will be captured in the Web Form and the request reviewed. The reply of Pending, Rejected or Approved will be on the NonMcAuth file.
2. Table Updates/Reminders/Definitions
 - a. Funding Type 04 – No Public Funding Source
 - i. A new Type of Funding was created to indicate a client is not Medicaid and not ASO funded and the transactions and services will no longer be submitted to the HCA through either an MCO or an ASO.
 - b. Updates to tables were give to specific folks for the Stabilization Notification process.
3. SERI Updates -none noted
4. Data Dictionary Clarification
5. Service Transactions
 - a. S9485 and S9484 Notification needed an 'auth' number that is received via the 980.00/981.00 transactions. The NTE segment is used to indicate this number in the 837p formatted encounter used for these services. The auth number will have a status of Notif and NotifRvw and is a requirement to send this number with the encounter for these services.
6. Memo [Numbered Memorandums | North Sound BH-ASO](#) are stored on our website and distributed to this group and other DLs. CIS will send out a copy to this group, but if not data related you can still locate them all at the link

Schedule
